### **NOTES TO FINANCIAL STATEMENTS**

- a. \$0 health care delivery assets included in Line 4.1, Column 3.
- b. The values for December 31, 1998 were derived from the March 31, 1999 filing by XANTUS Corporation ("XC"). These December 31, 1998 and March 31, 1999 balances are incorporated into the balances presented at December 31, 2002 and March 31, 2003. To the best of the knowledge of the Rehabilitators, these amounts rolled forward from December 31, 1998 are not audited or otherwise evaluated to determine their accuracy. As such, the Rehabilitators do not assume responsibility for, or attest to, the accuracy or validity of these amounts.
- c. The values for the quarter ended March 31, 1999 were derived from data provided by XC and subsequent modifications based on facts determined by the Rehabilitators after March 31, 1999, so as to most accurately reflect adjustments known to have occurred in the quarter ended March 31, 1999. These March 31, 1999 balances are incorporated into the balances presented at December 31, 2002 and March 31, 2003. To the best of the knowledge of the Rehabilitators, the data provided by XC was not audited or otherwise evaluated to determine its accuracy. As such, the Rehabilitators do not assume responsibility for, or attest to, the accuracy or validity of these amounts.
- d. Current Assets at March 31, 2003 include inter-company receivables in the amount of \$15,034,436 and an allowance for doubtful accounts of \$15,034,436. Based on data provided by XC, the inter-company receivables, in the amount of \$15,034,436, appear to represent approximately: 1) \$9,000,000 for the retirement of XC debt; 2) \$3,549,231 in overpayment of management fees to XC; 3) \$445,425 for XC payroll costs prior to April 1, 1999; 4) \$179,479 due from Health Net for claim payments for services provided prior to 1997 used by XC as a reduction of interest payments to Health Net; 5) \$1,827,281 Federal Income Tax; and 6) \$33,020 Franchise & Excise Tax.
- e. Current Assets at March 31, 2003 include a receivable from providers in the amount of \$1,745,790 and an allowance for doubtful accounts of \$1,745,790. This amount represents total advance payments made during April and May 1999, in the amount of \$26,063,745, less recovery through March 31, 2003 in the amount of \$24,317,955.
- f. Claims Payable in the amount of \$62,952,865 represents both Pre-Petition and Post-Petition claims liability. TennCare Pre-Petition claims liability, in the amount of \$57,002,443, represents the sum total of all medical claim obligations owed to providers for dates of service prior to April 1, 1999. Of this \$57,002,443, the State of Tennessee has acquired approximately \$19,631,434 as of March 31, 2003. TennCare Post-Petition claims liability, in the amount of \$5,074,973, represents the estimated outstanding claims liability of medical claims obligations owed to providers for dates of service after March 31, 1999 through March 31, 2003. The remaining \$875,449 represents the estimated medical claims obligations owed to providers for the ESRD Demonstration project and the Community Plus commercial plan. See footnote (n) for additional details.
- g. Claims Payable includes an estimated \$ 2,300,000 adjustment for the value of the 1999 RBRVS fee schedule update. The adjustment is required since XC had not updated the RBRVS fee schedule for provider payments since 1997. The research to determine the final amount remains in progress as of the date this filing was signed.
- h. Pre-Petition Premium Tax obligations, in the amount of \$1,601,539, remain due for the quarter ended March 31, 1999 and for the year ended December 31, 1998. The remaining amount of \$1,708,170 represents tax liability incurred after March 31, 1999 that has been reported and paid timely.
- i. The Rehabilitators do not assume responsibility for, or attest to, the accuracy or validity of these claims against the assets of XHT. These balances have been brought forward from prior Financial Statements prepared by XC and are not audited or otherwise evaluated to determine their accuracy for the time periods represented by this filing. As such, the Rehabilitators do not assume responsibility for, or attest to, the accuracy or validity of the amounts reported by XC.
- j. Premium revenue is based on the contract negotiated between TennCare and XHT and must be adjusted to reflect actual cost upon completion of the required reconciliation process.
- k. Based on the agreement between CMS, XHT, and TennCare, financial audits will be performed quarterly. The purpose of the audits is to review XHT TennCare expenditures. CMS has agreed to reimburse TennCare for XHT related expenditures in accordance with Medicare cost sharing standards during Rehabilitation or until such time as XHT returns to an at risk status.
- 1. Consistent with the Deloitte and Touche financial audit performed for the period ended December 31, 2000, TennCare prepetition claims liability in the amount of \$57,002,443 was increased at June 30, 2001 by \$1,093,240 from the previously filed liability of \$55,909,203. The adjustment is required in order to properly reflect the TennCare pre-petition debt per the claims distribution analysis finalized during the 2<sup>nd</sup> quarter of 2001.

### NOTES TO FINANCIAL STATEMENTS

- m. Consistent with the Deloitte and Touche financial audit performed for the period ended December 31, 2000, prior period adjustments/allowances in the amount of \$16,830,898 were recorded at June 30, 2001: 1) to reduce prior year retained earnings by \$14,678,589 for pre-petition receivables (\$14,498,641 Due from XC; \$49,923 Due from Providers; \$130,025 Due from Premier); and 2) to reduce current year retained earnings by \$2,152,309 for post-petition receivables (\$535,795 TennCare Due from XC; \$1,336,206 Due from Providers; \$40,680 Due from Premier; \$157,029 ESRD Receivables; \$82,600 Premium Tax Payable).
- n. Statutory Financial Presentation of Administrative Services Only ("ASO"): In an effort to stabilize the TennCare program, on July 1, 2002, TennCare amended the revised TennCare Contractor Risk Agreement and issued an amended Contractor Risk Agreement with an expiration date of December 1, 2003. This amended agreement puts XHT into an ASO funding arrangement and eliminates the risk of loss due to excess benefits costs to XHT as all benefits costs are reimbursed in full. Under this ASO funding arrangement, TennCare provides XHT with a monthly, prepaid administrative capitation payment based on enrollment to cover administrative costs incurred by XHT. In addition, TennCare provides funding to fully cover benefit payments, which are paid by XHT only after XHT has received funds from the State. XHT financial statements included in this statement have been prepared in conformity with NAIC statutory accounting principles. Accordingly, since XHT is now under an ASO funding arrangement, administrative and benefit costs incurred are netted against the related reimbursements received from the State. Benefits incurred but not paid as of the end of the reporting period are netted against accrued ASO funding receivable from TennCare.
